Re: Sediment and Ground Water Sampling
Administrative Order on Consent for Corrective Action ("Order")
Under the Resource Conservation and Recovery Act ("RCRA")
Docket No. 1091-11-20-3008(h)
Rhone-Poulenc Inc. Marginal Way Facility ("Facility")
WAD 00928 2302

Dear Mr. Wold:

As you are aware, the U.S. Environmental Protection Agency, Region 10 ("EPA") will be conducting sediment and ground water sampling at the Rhone-Poulenc Facility during the week of August 23rd, 2004. Sampling will be conducted at both intertidal and subtidal stations. Shoreline samples will be collected by an on-shore team, and subsurface samples will be collected by divers working from the EPA boat. A copy of the Quality Assurance and Sampling Plan is enclosed for your information.

In order to allow collection of shoreline samples, EPA will require access to the Facility on August 23rd, 24th, 25th, and 26th, 2004. I will contact you early next week to make the necessary arrangements.

Sincerely,

Christy Brown
Project Manager
Office of Air, Waste and Toxics
